8. The Customer shall not change or modify, or permit any other person to change or modify, any of the downstream piping or appliances from the sub-metering system unless it has provided ND Energy with at least 30 days' prior written notice of such change or modification, including any applicable drawings, and should the Customer become aware of any such change or modification by any person, other than ND Energy and its affiliates and their respective officers, directors, trustees, employees and agents, the Customer shall notify ND Energy forthwith of such change or modification. The Customer will not, directly or indirectly, interfere with the

operation of, or remove, relocate, suspend, disconnect, alter, terminate or damage ND Energy's sub-metering system and agrees to indemnify ND Energy in respect of any losses, costs, expenses or damages caused thereby.

In the event the Customer makes a partial payment of any such single invoice, ND Energy shall, in accordance with applicable laws, apply such partial payment towards amounts owing in respect of electricity sub-metering services first, and then, subject to applicable laws and notwithstanding any instructions provided in respect of the priority of application of such partial payment, ND Energy has the sole discretion to apply the balance, if any, of such partial payment towards amounts owing in respect of water, gas or thermal energy sub-metering services.
17. 19. If any provision of this agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, said provision shall be severed and the remainder of this agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provisions and intent hereof.
